

Environmental Gain Ltd is an independent UK based company providing multi-disciplinary environmental and ecological services and business consultancy to clients in the UK and across the globe.

Due to exciting project developments overseas and in the UK market, Environmental Gain is looking to recruit:

**Ecological Consultant  
(temporary (6 months) with potential to become permanent)**

This opportunity is for an individual with approximately 3-4 years experience in ecological consultancy. You must be competent in project management, budget management and field experience eg extended Phase 1 surveys, botanical skills, protected species surveys and ecological management. You must have experience in preparation of proposals and tenders, EPS licence applications and have excellent report writing skills. It would be an advantage if you hold protected species licenses and have experience in writing Ecological Impact Assessments and Appropriate Assessments. Full IEEEM membership is desirable.

**Start date:** April/May 2010

**Salary:** Competitive

If you feel you have the personality and skills to make a contribution to this dynamic organisation, please send your CV to Miss Zuzana Havlickova at Environmental Gain Ltd, The Old Church School, Butts Hill, Frome, BA11 1HR.
